Download or Stream the newly released Classic Album from 2Pac titled Loyal To The Game (2004) this is a Rap Classic Album and was published on Monday, May 14, 2018.. Eminem's efforts here work, yet aren't ideal On the one hand, there's no questioning Em's integrity.. In the wake of the song's popularity, Afeni gave Eminem some old tapes, and he went to work, stripping them of their productions, giving them his own trademark backing (characterized by his style of punchy, syncopated, unfunky beatmaking), incorporating some guest raps for secondary verses, and polishing them off with various sorts of hooks.. Produced entirely by Eminem, it carries on with the approach the man otherwise known as Marshall Mathers took with his production contributions to the preceding year's Tupac: Resurrection.. According to an interview with MTV, Eminem was so moved by Tupac's life and work that he wrote a letter to Tupac's mother, Afeni Shakur, asking her to consider letting him produce the album.
